EXCHANGE PROGRAM FOR HI-BALL VALVES P/N C-660732

To decrease troubleshooting and down time, and to assure desired reliability of Cascade's Hi-Ball Valve we are initiating a parts exchange program for the completely assembled valves p/n C-660732. Cascade will no longer service the individual cartridges or other related parts of the valve.

You have a choice of replacing your Hi-Ball Valve with either a factory rebuilt valve (List Price: \$196.00 PLUS \$160.00 Deposit for core replacement) OR a new valve (List Price: \$560.00). Normal discount will be given on the rebuilt valve price.

If you order a rebuilt valve a Return Goods Authorization will be sent with it. You must return the RGA pink packing slip when you return your used valve to the Parts Depot. \$160.00 credit will be issued upon receipt and inspection of the completely assembled and repairable valve. You will not receive the \$160.00 credit unless the RGA is returned with your valve and the valve has not been disassembled.

You can order the rebuilt valve or the new valve by contacting:

Parts Depot
Cascade Corporation
2501 Sheridan Avenue
Springfield, Ohio 45505

Telephone: (513) 325-9271
Telex: 205413

If you are having trouble determining whether your Hi-Ball Valve should be replaced please contact Cascade's Service Department at this toll free number 800-547-5266.
