

A Versatile Attachment Ideal for Agriculture and Food Processing

Adjustable bin height stops

Heavy duty construction

Superior visibility

Front bin stops

130° forward tilt

APPLICATIONS

Designed to provide the agricultural, food processing, and manufacturing markets an efficient and economical means of handling and dumping bins. Can easily accommodate various bin heights by manually adjusting the top bin stops.

FEATURES

- Heavy duty construction.
- Fast, smooth, forward dumping motion.
- Unsurpassed visibility.
- Proven Cascade quality.
- 130° forward tilt.
- Adjustable bin heights.
- Simplified hydraulics.
- Common Cascade parts available worldwide.
- Low effective thickness resulting in increased net truck capacity.

MODELS

- 46 inch wide
- 48 inch wide
- 60 inch wide
- 72 inch wide
